

Relocation Services

Family support

We know how difficult moving to a new country is, many families will face difficulties at some point and some have multiple complex needs.

For this reason, we base our services in assisting and supporting the family to make sure that this is a smooth and painless process.

We introduce expatriates to the local culture and invite them to any social event organized by the expat community in Uruguay.

Orientation Tour

There is a big difference between visiting a place and living there. We will give you a unique insight into how to get things done in Uruguay. This trip is tailored to meet individual needs and specific interests, as well as any questions you may have regarding housing, education, communities and lifestyle preferences. We will be at client's disposal in order to give him a clear picture of different neighborhoods and areas.

Accommodation (temporary and permanent)

Finding the right home, in the right location, is critical to ensuring your relocating employee's satisfaction and them being happy in their new location. We will also assist with setting up utilities connections (internet, electricity, gas, etc).

Medical Insurance

When moving to Uruguay, you will probably need help finding the right health insurance plan. We will provide information about all the different options available in our country.

Banking services

We make sure the client has all documents needed to be able to open a bank account. We will escort you to the bank and assist you in all things related with banking. When moving to Uruguay, you will probably need assistance in paying bills, either through the bank or using other options. We advise on this, as well.

Schooling

We will assist the family in finding a suitable school for their children. If your relocating employee has school age children, the choice of school is very important.

We also assist the family in joining sporting, recreational, cultural activities, volunteering and other leisure activities.

Car rental/Buying a car and Driver's License

We provide information and assistance with car rental and buying. We escort the client to meet all the different dealers and make sure that they are buying the best option.

We will also provide all the different options regarding insurance and assistance in getting a Uruguayan Driver's license.

We also advise on all other customs-related matters: importing cars, guns, precious stones and metals.

Moving Personal belongings

As a resident in process, you will be able to bring your personal belongings duty free.

We organize door-to-door transport of your household goods to and from Uruguay. It will be important to know what items you wish to bring from the start, so we can assess their value. Along with the agent, will also explain what documents need to be brought and what requirements must be met, to allow for a smooth importation of the goods (usually, only an insurance bond, which is released after you obtain the resident status). We will also assist you in case you wish to bring pets with you, as well.

Language learning and translation services

We assist and support our clients with language learning and translations services as well.
